

1. Comment on the strengths and/or weaknesses of this TA as a teacher.

He is an excellent instructor who truly cares about his students. Sebastian was always willing to help if needed and he provided much appreciated support and encouragement.

He's also very funny and a cool guy. 😊

I would definitely recommend him to other students.

Also he should get a pay raise. 😊

2. Aside from your TA's performance, what did you like or dislike about the course?

It's a very difficult course.

The Michigan State University **CODE OF TEACHING RESPONSIBILITY** holds all instructors to certain obligations with respect to e.g.; course content consistent with approved descriptions, timely statement of course objectives and grading criteria, regular class attendance, published office hours, and timely return of examinations and term papers.

The Code is printed in full in the **SCHEDULE OF COURSES AND ACADEMIC HANDBOOK**. It includes specifics about complaint procedures available to students who believe that their instructors have violated the **CODE**.

1. Comment on the strengths and/or weaknesses of this TA as a teacher.

Sebastian is very good at fully answering questions so we can better understand the material, and he wants us to do well in this course. He is also very nice and very approachable.

2. Aside from your TA's performance, what did you like or dislike about the course?

I think for the future, the TA and the professor teaching lecture should have better communications between them. We took a quiz at one point in the semester that had material we did not cover in class.

1. Comment on the strengths and/or weaknesses of this TA as a teacher.

He came to me when I was struggling and really helped me prepare better for the class.

2. Aside from your TA's performance, what did you like or dislike about the course?

It's really hard and I hate having two common exams.

Strong teacher. Made the work easy to understand.

2. Aside from your TA's performance, what did you like or dislike about the course?

TA made you feel relaxed and I believe that is part of the reason the material was so easy to learn. There wasn't a stressful environment

He always knows his stuff and gives us tips on how to solve problems if we are struggling

2. Aside from your TA's performance, what did you like or dislike about the course?

I like how the course works so closely with the homework and there are no costly supplies
